

REQUISCAT IN PACE

Down the years
of your journey, Donald,
you ran joyously
without skipping a beat,
reveling in the
gifts of *caelo et terra*,
discerning *numeros sonos*
not heard by many.
Keen of mind
with artist's heart,
you returned the talents
of your Creator,
singing paeans of praise,
speaking in many tongues,
sharing your exuberant spirit
with those of us slower in pace.

BENEDICAMUS DOMINO!

Rest quietly now,
guileless one,
in God's embrace,
knowing all is well.

Aman, Heiwa, Mir, Nagaas,
Pace, Paix, Paz, Salaam,
Shanti, Sidi, Sipala, Peace!
